

SMYTH ROUND CHANDELIER

This new take on our Smyth chandelier's form updates its linear and angular silhouette into a fresh, rounded shape to divert light throughout space. The smoke luster glass globes feature fluted details, which add to the vintage-inspired look. Its antique brass-plated steel structure is suspended from aircraft wire, and the branching look is centered with a triangular form for eye-catching impact. Certified for damp locations and intended for interior use.
