

LARKIN CHANDELIER

DLI09  
 Black Gesso  
 H: 32 IN  
 Dia: 41.5 IN

Like a biomorphic sculpture, this fixture boasts twelve black gesso iron arms to radiate light into every corner. Reminiscent of a mobile, the spiny frame hangs from a canopy, allowing this fixture to become a focal point when hung in a spacious living area or entryway. Certified for damp locations and intended for interior use. Finish will vary.
