

LEXA PENDANT

DLI10
Vintage Brass
H: 26.5 IN
Dia: 40.0 IN

A glamorous network of vintage brass wire is meticulously hand-wrapped and tiered to evoke the silhouette of a clamshell. Suspended from an iron pipe in an antique brass finish, this striking chandelier plays with negative space with its two sculptural tiers intentionally separated to cast a dynamic interplay of light and shadow. Finished with refined hook-and-eye detailing. Certified for damp locations and intended for interior use. Finish will vary.
