

YAHARA PENDANT

DMC15
Ivory
H: 35 IN
Dia: 30.0 IN

Influences ranging from the natural and modern worlds inform our Yahara. Reminiscent of a bee's nest or Chinese lantern, this tiered design takes a steel structure finished in antique brass wrapped in a cool cocoon of ivory faux vellum. Zen-like in its appeal, this fixture will lend a soothing glow to any space. Certified for damp locations and intended for interior use. Finish will vary.
