

LUCINDA FLUSH MOUNT

DMI28
 Antique Brass
 H: 11 IN
 Dia: 31.0 IN

This textural antique brass flush mount casts light upward through its hand-hammered shades, reminiscent of delicate petals, creating a warm glow across the ceiling of an entryway, hallway, or small dining room. Suspended from an antique brass-plated iron pipe and canopy. Certified for damp locations and intended for interior use. Finish will vary.
