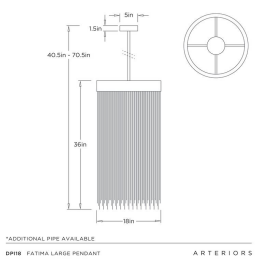
FATIMA LARGE PENDANT

DPI18

H: 41 IN
Dia: 18 IN



Glamorous and refined, the Fatima Large Pendant exudes a sophisticated Hollywood Regency style. This grand-scale fixture features rows of delicate vintage brass chains that dangle artistically from a thick brass band, creating a jewelry-inspired aesthetic. When illuminated, the tassel-like design adds significant luster to a space while gently breaking up the light to cast a rhythmic, subtle shadow play across the room.
