

TURKS PENDANT

DPS05
Dark Brown Stained
H: 28 IN

The lantern-style Turks pendant exudes a maker sensibility, crafted in natural buri midrib, and stained a dark brown. Created using traditional artisan techniques, the buri slats allow light to pass through the vertical slats, lighting up the striking silhouette. Antique-brass steel pipe suspension impart a contemporary flair. Finish will vary. Certified for damp locations and intended for interior use.
