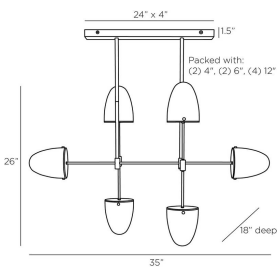
ALAZANI LINEAR CHANDELIER

DRC06
Antique Brass
H: 28.5 IN
W: 35 IN
D: 18 IN


Rounded cones of white alabaster suspended from linear arms creating a visual grid of light. Reminiscent of taillights on a classic mid-century car, this modernist style in antique brass iron with integrated LED blends the best of whimsical and industrial design. Certified for damp locations and intended for interior use. Finish will vary.
