

TESSA WALL SCONCE

DWC09  
 Clear Seedy  
 H: 11 IN  
 W: 6.5 IN  
 D: 3.5 IN

The design for the Tessa sconce recalls Mid-Century Murano blown-glass lighting. Clear seedy slump glass is formed into a graceful teardrop shape, imparting a feeling of movement and washing a wall with soft, elegant illumination. A rounded, antique brass steel hook pierces the glass shell, offering refined detailing. Finish will vary. Certified for damp locations and intended for interior use.
