

WATKINS WALL SCONCE

DWC15
 Clear Crystal
 H: 15 IN
 W: 4.5 IN
 D: 3.5 IN

Our Watkins sconce bestows an element of modern glamor to an entry or hallway. The sleek wall light is created in a mix of matte and high-gloss materials, which combine to produce a geometric blocking effect. The LED fixture features a linear composition of clear and frosted crystal, with bands bronze iron. Bronze iron also forms the sconce's rectangular backplate. Certified for damp locations and intended for interior use.
