

MERIDIAN WALL SCONCE

DWC16
 Clear Seedy
 H: 32 IN
 W: 22.5 IN

The Meridian sconce finds modern design inspiration in mobile sculptures. The linear sconce is crafted from antique brass iron and features discs of clear seeded slump glass at varying heights, each encased with an integrated LED ring. The discs pivot, altering the shape and direction of light flow when desired. Finish will vary. Certified for damp locations and intended for interior use.
