

GATSBY WALL SCONCE

DWC49  
 Charcoal  
 H: 17 IN  
 W: 12.5 IN  
 D: 4.5 IN

The opulent and intricate linework of Art Deco informs Gatsby's resonant form. A faceted diamond of English bronze-plated iron is suspended on a grooved backdrop of charcoal ricestone composite, allowing light to bounce off its dark surface. This integrated LED fixture has a white acrylic diffuser to soften the glow from a single bulb. Certified for damp locations and intended for interior use.
