

GARLAND WALL SCONCE

DWC50
 Natural Rattan
 H: 9 IN
 D: 4 IN
 Dia: 9.0 IN

Designed to be installed vertically or horizontally for up or down lighting, an intriguing sconce embodies the yin and yang of modern design. Natural pencil rattan is suspended in an antique brass-plated hammered iron setting and distressed at the edges with the antique cow tail technique. Single integrated LED bulb. Certified for damp locations and intended for interior use. Finish will vary.
