

JENNER WALL SCONCE

DWC63  
 Ivory Ricestone  
 Composite, Antique  
 Brass Steel  
 H: 21 IN  
 W: 12 IN  
 D: 3.5 IN

Designed to deliver a wash of light to the wall, double diamonds of antique brass-plated steel clamp at either side of an ivory ricestone composite plate. The graphic line texture adds geometric interest when illuminated. Finish will vary. Certified for damp locations and intended for interior use.
