

ILMA WALL SCONCE

DWC68
 Chattered English
 Bronze
 H: 15.5 IN
 W: 5 IN
 D: 4 IN

A stirrup-shaped sconce captures a white and gray marble sphere in a loop of English bronze-plated steel. The hooded chattered English bronze-plated steel silhouette was devised to deliver a moody wash of light across the wall and can be staged in multiples for brighter illumination. Finish will vary. Certified for damp locations and intended for interior use.
