

NOME SCONCE

DWC84
 Silver Leaf
 H: 12.5 IN
 W: 8.5 IN
 D: 4.5 IN

The shell of an oyster was an inspiration point for this elegant sconce formed of this cast rippled glass. Foiled with silver leaf and adorned with a jewel-like accent of pale brass resin, this stunning style creates a soft, dewy effect that is flattering wherever it is hung—accent wall, corridor, or dining room. Certified for damp locations and intended for interior use. Finish will vary.
