 Clear Seeded Slump
 Glass
 H: 17 IN
 W: 13.5 IN
 D: 7 IN

Vintage floral ceiling patterns find a reflection in a cascading style of tiered clear, seeded slump glass. Anchored to an antique brass-plated iron backplate, the layered effect creates a flattering hide-and-seek illumination. The scale and depth of this piece make it a glamorous accent for an entryway, hallway, or powder room. Certified for damp locations and intended for interior use. Finish will vary.
