

ANTON WALL SCONCE

DWI12  
 Black Gesso  
 H: 34 IN  
 W: 8 IN  
 D: 8 IN

An Iron Age spear is the unlikely inspiration for our diamond-backed sconce of black gesso finish aluminum. Its unique finish and pointed support may also recall the rugged lines of a shanked fireplace poker. Topped with black gesso finished shade to keep the effect modern and moody. Certified for damp locations and intended for interior use. Finish will vary.
