

ELLIE WALL SCONCE

DW115  
 Burnt Bronze  
 H: 17.6 IN  
 W: 6 IN  
 D: 6.5 IN

The traditional shaded sconce of burnt bronze-plated iron gets a whimsical twist with the addition of free-hanging panes. Recalling a delicate fishbone or windchime blowing in the wind, the reflective movement adds charm and intrigue wherever it is hung. Finish will vary.
