

CHAMPLAIN COFFEE TABLE

FCM02

H: 15.5 IN

W: 60 IN

D: 32 IN

The Champlain Coffee Table embodies organic fluidity in a soft, creamy lacquer that lends a warm, sculptural presence. The freeform top, shaped with a natural, flowing asymmetry, introduces a softened silhouette, while three cylindrical column legs provide a bold, architectural counterpoint. Each leg is accented with a gentle concave detail at the crown, lending subtle sculptural dimension to the high-gloss surface.
