

TILLER DINING TABLE

FDS01  
 Oyster  
 H: 30 IN  
 W: 70 IN  
 D: 38 IN

Expert detailing defines the handsome Tiller dining table. Constructed in oyster oak, the piece is designed with a beautifully crafted tabletop reveal. Stepped, telescopic pedestals, with recessed, gold leaf iron banding, highlight the totemic architecture. Gold leaf iron features again as a round disc base for each pedestal. Finish will vary.
