

HUXLEY SOFA MOSS PERFORMANCE
VELVET WHITE OYSTER

FFU10

H: 33 IN

W: 77 IN

D: 32 IN

A new take on the shelter sofa, Huxley's stylish silhouette is elevated in our Wells Performance Velvet, shown in the color moss. The rhythmic texture of back-channeled details allows it to float stylishly within a room. Sloped arms with bolster pillows lend support for seating, while a shaped plinth base of white oyster finished oak wood adds a contemporary contrast of material.
