

BUCHANAN SIDE TABLE

FII04
Dim Gray
H: 24.5 IN
W: 24 IN
D: 24 IN

Both versatile and essential, this waterfall-edged side table adds masculine minimalism to any room. Fully clad in sleek topstitched dim gray leather, it is rounded at the corners to avoid harsh angles. The single drawer is cushioned with a black suede-lined interior and topped with a sleek antique brass pull. Leather and suede will vary.
