FII06
Smoke
H: 24.5 IN
W: 28 IN
D: 22 IN

We borrowed whipstitch detailing from fine tailoring to adorn a side table of smoke oak wood. Each ivory leather-covered drawer is enhanced with cast brass hardware in English bronze finish to mirror the linear shape of the stitching. Designed with a generous depth for storage, this sophisticated piece is veneered all the way around, allowing it to float within the room. Soft-close drawers and English Bronze-plated stainless-steel base. Leather will vary.
