

JOPLIN SIDE TABLE

FII07  
 Black Embossed  
 Leather  
 H: 24 IN  
 W: 28 IN  
 D: 22 IN

A modern mix of materials elevates our sophisticated side table. The smoke oak wood waterfall case is juxtaposed with luxe black embossed leather on the top and front, with stitched details to highlight the black shagreen. Punctuated by antique brass inlay and delicate pulls, this handsome piece features two soft-close drawers and an open shelf for essentials. Finish will vary.
