

KIANNA SIDE TABLE

FIS05  
 Oyster  
 H: 24.5 IN  
 W: 28 IN  
 D: 20 IN

We adapted our classic Kianna credenza in a smaller size to perfectly pair with a bed or sofa. A white lacquer face is set within a veneered oak wood frame in an oyster finish, delivering style and function through architectural elements. Inspired by modernist sculpture, the curved door pulls are crafted in heritage brass, while the exaggerated base features a racing stripe reveal visible from every angle. Soft-close doors.
