

TILTON CABINET

FNS03
Chateau Smoke
H: 34 IN
W: 48 IN
D: 18 IN

Designed with a sinuous profile, our small-scale Tilton cabinet imparts vintage character. The storage piece is crafted in chateau smoke oak veneer with a grooved façade, reminiscent of a roll-front desk, and rests on a plinth base in vintage-brass iron. Elongated hardware in a vintage brass finish embellishes the cabinet. Inside, the piece is fitted with adjustable wood shelves. Finish will vary.
