

BRUSA CABINET

FNS08

Beige

H: 60 IN

W: 42 IN

D: 18 IN

Mixing the textures of wood and grass cloth, our Brusa cabinet draws from the best of the Bauhaus movement. Its simple, flowing façade pairs beige seagrass cloth accents with heavy beige oak veneer panels. Brutalist in influence and practical in function, this textural design features three interior shelves and a bronze iron base. Finish will vary.
