

TWYLA OTTOMAN

FOI03
Bordeaux Chenille
H: 20 IN
Dia: 16.0 IN

Our Twyla ottoman adds a playful touch of nostalgia with this unique combination of color and materials. The expressive stool is fully upholstered in heathered bordeaux chenille, with a fuller tufted resting upon a slimmer column plinth. Fine, antique brass chain, in varying lengths, forms a flapper-style fringe skirt. Finish will vary.
