

SELENE CHAISE

FTU06

H: 29 IN

W: 76 IN

D: 31 IN

The Selene Chaise captures the glamorous essence of Hollywood Regency design with its dramatic, asymmetrical silhouette. Cloaked in a performance velvet, this piece features dual curved backrests that frame a central seat, all supported by two plinth bases in a champagne gold finish. Its sweeping lines and soft texture offers a refined, fashion-forward touch that elevates any living space.
