

MELT SCONCE

GADWC15
 English Bronze
 H: 14 IN
 W: 7.5 IN
 D: 4 IN

The Melt sconce pairs two overlapping drops of textured smoke cast glass, their fluid forms secured against an English bronze-plated iron backplate. The layered composition scatters and diffuses light, creating depth, dimension, and a soft atmospheric glow. Certified for damp locations and intended for interior use. Finish will vary.
