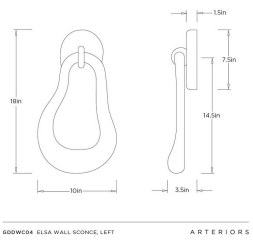
ELSA WALL SCONCE, LEFT

GDDWC04

H: 18 IN
W: 10 IN
D: 3.5 IN



Designed as radiant wall jewelry, this light is offered in left and right versions meant to be paired as a mirror set. Crafted from natural onyx framed by an organically shaped gold-leafed aluminum mount, each piece highlights the stone's unique variation. The slender, narrow profile enhances its elegance while remaining ADA compliant. Glowing with warmth and character, it brings a sense of decadence and refined beauty to any space.
