

MUSCADINE COFFEE TABLE

GDFCM01

H: 16 IN

W: 54 IN

D: 32 IN

The Muscadine Coffee Table pairs refined materials with an artful, sculptural base. A smooth, white Banswara marble top offers a cool, elegant surface, while the hand-forged iron base twists and branches below, creating a sense of movement and organic intrigue. Balancing natural texture with modern craftsmanship, this coffee table brings character, contrast, and timeless appeal to any space.
