

SHOAL BENCH, LEFT

GDFHU02

H: 18.5 IN

W: 50 IN

D: 25 IN

Inspired by the gentle curves of shoals in the ocean, this sculptural bench brings organic flow and quiet sophistication to any space. Its softly contoured form is upholstered in plush bouclé fabric, offering rich texture and an inviting, tactile feel. Designed to function beautifully alone or with its opposite facing piece, it works effortlessly at the foot of a bed, in an entryway, or as a statement accent in a living area—balancing comfort, artistry, and modern elegance.
