

MINARET TABLE LAMP

GDPTC02-829

H: 34.5 IN

Dia: 16.5 IN

The Minaret Table Lamp reinterprets a classic silhouette with refined materials and vertical emphasis. Stacked forms of white alabaster create a sculptural column, paired with bronze iron detailing for contrast and depth. Its elongated proportions make it well suited for consoles while adding presence and balance to the space. Dual sockets with pull chains provide flexible illumination and an easy, functional detail.
