

EMPIRE FLUSH MOUNT

GKDFC02  
 Antique Brass, Iron  
 H: 4 IN  
 Dia: 14.0 IN

As part of the Empire series of objects: this antique brass flush mount created of iron and glass uses the ideas of origami and geometry as a kind of mystical decorative language conjuring up both treasures of the past and the future. These are the jewelry of the collection; a precise and polished counterbalance to the more hand-hewn objects. Finish will vary.
