

WARNER FLOOR LAMP

PFC07-SH016

Black, Resin

H: 70.5 IN

Dia: 23.0 IN

At home in modern or traditional environments alike, our Warner floor lamp is crafted as in a cluster of reed shapes forming a scalloped column in black resin. Bands of high-contrast antique brass steel embellish the column, also forming the disc base. The stately lamp is detailed with an antique brass sphere finial and a tapered off-white linen shade lined in off-white cotton. Finish will vary.
