

FLORENCE FLOOR LAMP

PFS05-SH054
Black, Buri Midrib
H: 68 IN
Dia: 18.0 IN

Utilizing Old World techniques, we created a luxurious yet modern fixture from thin midrib buri sticks derived from Asian tropical palms. Reminiscent of traditional methods used in fishing baskets, the ombre finish ranges in hue from natural to deepest black, lending contemporary flair. Accented with antique brass-plated steel hardware, a bronze-plated steel base, and an oversized drum shade of putty microfiber. Finish will vary.
