

ANNIKA TABLE LAMP

PTC14-SH018  
 Ocean Reactive,  
 Ceramic  
 H: 31 IN  
 Dia: 15.0 IN

Sculpted in ceramic and finished in a ocean-reactive glaze, the Annika's textural fluting is reminiscent of mechanical gears. Accented with an antique brass finished support and an off-white linen drum shade, it delivers the perfect marriage of industrial and modern design. Matching ocean ceramic finial, clear silver cord, and three-way rotary switch. Finish will vary.
