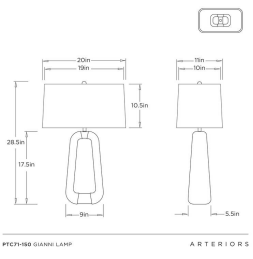
GIANNI TABLE LAMP

PTC71-150
Ivory, Ricestone Composite
H: 28.5 IN
W: 20 IN
D: 11.5 IN



A modern form in ivory ricestone composite is accented with antique brass-plated steel, which visually unites the mixed-material foundation adding a mix of sculpture and textural touch to a space, it is topped with a rectangular white linen drum shade with white cotton lining. Finish will vary.
