

NYLA TABLE LAMP

PTE16-934
 Dark Green Reactive,
 Ceramic
 H: 26.5 IN
 Dia: 17.0 IN

Inspired by the textured form of a cactus, this ceramic lamp features ridged surfaces glazed in a dark green reactive finish for mid-century modern appeal. Tall enough to balance an end table or credenza, it is accented with polished nickel-plated steel hardware and topped with an off-white microfiber drum shade lined in matching cotton. Finish will vary.
