

NICOLINE TABLE LAMP

PTE18-SH042  
 Oat, Porcelain  
 H: 26.5 IN  
 Dia: 20.0 IN

A simple column of fine porcelain is carefully grooved and hatched to recall the pattern of a woven wallpaper. Topped with a neck of antique brass-plated steel, the oat textural base is complemented with a tapered shade of white linen lined in matching cotton. Finish will vary.
