

WOODROW TABLE LAMP

PTI01-SH010
Limewash, Wood
H: 30 IN
Dia: 15.0 IN

Crafted in a carved, totemic silhouette, our Woodrow table lamp bestows artisan character to any room. The piece is created in turned mango wood with a lime-wash finish, allowing the natural beauty of the wood grain to remain visible. A matching wood finial and an off-white linen drum shade, lined in off-white cotton, complete the lamp. Finish will vary.
