

MILAN TABLE LAMP

PTI26-SH061
 Antique Mercury
 Ombre, Glass Seeded
 H: 28 IN
 Dia: 18.0 IN

A stack of sculptural lucite bangles inspired the silhouette of our seeded glass table lamp. With an antique mercury ombre finish, the variation in colors and translucency draws the eye to its organic, asymmetric form. A neck of polished nickel-plated iron supports the off-white microfiber drum shade lined in matching cotton. Finish will vary.
