

GRANADA LAMP

PTS17-851  
 Rhino, Terracotta  
 H: 28 IN  
 Dia: 18.0 IN

The quirky silhouette of our terracotta lamp gives the illusion of a fanciful animal. Oversized in scale and finished with a textural rhino glaze, it makes an impactful accessory for a living space or bedroom. Topped with an off-white microfiber drum shade in off-white cotton. Antique brass-plated steel hardware and matching finial. Finish will vary.
