

ICELAND TABLE LAMP

PTS20-517  
 Shoreline Reactive  
 Porcelain  
 H: 30 IN  
 W: 18 IN  
 D: 10 IN

The angular form of our porcelain style offers an intriguing mix of positive and negative space, with a cross-hatched texture that emphasizes its craft. Cutout slots provide added interest, while the shoreline reactive glaze offers a gradient finish that shifts from deepest black to pure ivory. Finished with bronze steel base, an off-white microfiber rectangular drum shade lined in off-white cotton and an antique brass sphere finial. Finish will vary.
