

WEATHERS MIRROR

WMI02
 Dove
 H: 48 IN
 W: 28.5 IN

The handsome Weathers wall mirror is a fine example of tonal sophistication. The ultra-versatile, mixed-media accent is created in dove gray leather and coordinating dove gray suede, which forms a racetrack design around the capsule-shaped mirror. The mirror is fitted with a security cleat for hanging. Can hang vertically or horizontally. Finishes will vary.
