

COPPERHEAD FULL LENGTH MIRROR

WMI37
 Blackened Iron
 H: 80 IN
 W: 26.5 IN
 D: 2.5 IN

A fresh adaptation of our classic Lianna mirror, the Copperhead embraces the same jewelry-inspired influence. Reminiscent of an Egyptian headdress, an overscale etched marble and ebony mango wood accent adds the right amount of contrast to a minimalist blackened iron frame. Designed to be hung vertically or angled on the floor, a cleat attachment at the back assures secure placement. Finish will vary.
