

CALPINI MIRROR

WMI42
 Sable
 H: 42 IN
 W: 42 IN
 D: 2.5 IN

A polished sable mango wood frame is adorned with inlaid butterflies of antique brass to catch the light. The beveled mirror is held securely with dovetail joints, while each hinge lies flush within the frame for a smooth finish. Designed to be hung vertically or diagonally, it is secured with a cleat at the back. Finish will vary.
