

LIORA FULL LENGTH MIRROR

WMI88
 Antique Brass
 H: 72 IN
 W: 30.5 IN
 D: 2.0 IN

The Italian Memphis design lines and playful aesthetic inform our quirky full-length mirror. A freeform wavy frame of antique brass captures the beveled edge of the mirror in its postmodern form. This adaptable design can be hung in all four directions or simply leaned against a wall. Designed with a back cleat for secure hanging. Hanging hardware included. Finish will vary.
